

## A'amal-e-Laylat-ur Raghaaib

### Recommended Prayer on the First Thursday in the Holy Month of Rajab

#### The Benefits of the prayer (Fazilat)

Prophet Muhammad (saww) has recommended to us a prayer, to be performed on the first Thursday of Rajab, which will give us the following benefits: Forgiveness of a great many sins.

1. Safety from troubles of the first night in the grave, and a shelter on the day of Resurrection, after the Trumpet is blown. The prayer will take the shape of a fine, smiling person, and he will enter the grave of one who performed it, with the following words:

"My dear friend, good news for you! You are safe from all troubles!"

The dead will ask: " But may I know please who you are? I have never seen a face better than yours;

nor have I heard words sweeter than the words from your tongue; nor have I smelled a perfume more refreshing than from you!"

"My dear, I am the act which you performed on that particular night, month and year, and in that particular country.

I have come tonight into your grave to reward you, and to remove your feelings of loneliness and hopelessness .

And when the siren on the day of Judgment will be heard, will take you out, I will provide you a cool cover over your head. So be full of joy. No goodness will be denied to you
